There are now eight lessons per week when students can choose their own programme in the following three areas. We believe this flexibility will lead to greater student satisfaction, improved examination results and faster progress as students focus on the English they need:

Study English

IELTS Preparation, English for Academic Purposes, Study Skills

Work English

Business English, Cambridge BEC Preparation

Life English

Communication Skills, Pronunciation, Grammar Workshop, English for Tourism

Life English also includes Life Skills sessions. This is the students' opportunity to learn a new skill and improve their English: yoga, cooking, modern dance... and lots more.
