IELTS is useful for students who wish to follow an academic study programme at a UK university or college. Before accepting you on a course, universities or colleges will expect you to achieve a specific IELTS score, usually 5.5, 6.0 or 6.5, depending on the course you wish to follow.

The school is also able to give advice and assistance to students who wish to enter UK universities or colleges.

We have introduced this course in response to demand from our students who wish to spend more time on IELTS preparation. We are confident that this will lead to even better IELTS results.
