

WORK EXPERIENCE PROGRAMME

Study English at Eastbourne School of English and then do a Work Placement in a British company. This will give you the chance to use your English skills in the real life world of work, and gain professional experience at the same time.

Our Partner

Placements are arranged by Professionals UK in Brighton, a company with many years' experience in this area. We work closely with Professionals UK and also provide support from the school.

Language Level

You need to have a good intermediate level of English before you start your placement.

Specialised placements

We are committed to finding you the best placement for your needs and future plans. We can arrange placements in the following areas –

International Trade	Tourism	Technology	Human Resources
IT and Web Design	Telecommunications	Hotel Management	Marketing
Graphic Design	Media	Hotel and Catering	Office Administration
Engineering	Public Relations	Fashion	

Your placement

If you wish to do a placement you will be given an agreement form to read. This lays out the terms and conditions for arranging a placement. Once you have agreed to this, we shall start to arrange your placement. Placements normally last between four and twelve weeks.

You will not receive formal training during your placement but you will learn by working closely with professional people who are involved in your area of specialisation. You will not receive payment for the work you do, but many companies will pay your travel costs.

Fee

The placement fee is £450, payable in advance. If you cancel the placement after the Agreement Form has been signed, you must pay a cancellation fee of £200.

Certificates

At the end of your placement you will receive a Placement Certificate. You can also apply for a Cambridge Certificate of Work Experience at extra cost. You will need to keep a detailed portfolio of work during your placement if you wish to obtain this Certificate.

Accommodation

Our partners can arrange accommodation for you for an arrangement fee of £30. The cost of the accommodation will depend on type and location.
