Summer 2008 esoeNews

Dear friends and colleagues,

Summer is here, and Eastbourne makes the best of it! Events include the International Women's Open tennis tournament, the Eastbourne extreme sports festival and Airbourne, the biggest seafront air show in the world. Barbecues on the beach, football in the park and spectacular walks across the Downs are just a few of the activities on offer. What a great time of year to visit the sunny South Coast of England!

Eastbourne School of English has over 70 years' experience of providing quality **English language teaching**. We are a non-profit-making educational charity with a genuine commitment to **high-quality** teaching and student services. Groups are welcome all year round!
